Property Description

I live in Qingdao,next to China Ocean University,and nearby Qingdao University.the community is called Ya Mai Shan Cheng ,where there are so many trees and flowers . there is a hill in the centre of this community ,all in all,it is such a wonderful community. And location is so handy ,near Hong Kong Road ,it is very convenient to go everywhere because of so many buses . Now I have a room here .and it is a little too big for me to live ,so I just want to share it with an English-speaking foreigners ,so we can learn different cultures from each other . and it is so cheap for you,only 700 Yuan per month ,including all the fees ,for example ,internet fee ,property manegement fee ,electric fee and so on . Two single beds in this room/public bathroom/kitchen/simple furnitures/balcony. It has such a good sea view. If you are interested , you can call me or send me E-mails (zhaokaka"at"-y-a-h-o-o-.-c-o-m).
