Property Description

When you come to China , why don't you choose a short term rental instead of a hostel ? the location of a short term rental is always more prosperous , and cheaper ,more comfortable -----no matter how long you want to stay in China .

By the way , let me tell you some info about long term and short term rentals in Qingdao. Let's say , there is a long term rental , luxury furnishing , western style interiors ,and also with a competitive prices, like , 2500 rmb one month , if you rent it for one year ,you need pay 14000 rmb at the beginning (half year rent and one month security deposit) , then on the sixth month , you should pay another half year rent . but if the landlord want to rent it as a short term rentals ,the monthly rent maybe go up to 4000 rmb , and if you rent it for only 3 months , you should pay all 12000 rmb at the beginning , not including the security deposit .

Even though short term rentals are more expensive ,the price of qingdao short term rentals (vacation rentals) is much cheaper than qingdao hostels and qingdao hotels .
