Property Description

Take a look at those two pictures , I failed to get photos from the landlords (the landlords just want the tenants to visit their apartments directly instead of only an agent to take photos) , but the two apartments are really good (as the landlords said). at least , as I know , the communities are very good . Let me tell you the details of these two apartments behind Carrefour : behind Carrefour , there are four parts of places , I think if there are some choices in "Several new high-rise buildings" and "many good low buildings without elevator " ,it would be suitable for you . I am sure you won't like apartments in "several old high-rise buildings" part and "old low buildings" part , because it's old ,messy and dirty . Right now , there are two apartments , first one is in "several new high-rise buildings" ,104 sqm ,fully furnished , 3rd floor with elevator , 5000 rmb per month .
