Property Description

Wanna stay in Qingdao for only one to two months from July ?Check this out !

Hi ,every client is my god , I should do my best to help you , but before I help you ,I should tell you something :

1.July and August is the vacation period , the rent of short term rentals at this moment is much more expensive . So , I am not sure I can find an apartment under 4500 rmb per month .

2. I will charge you some money as my broker fee ,for short term rentals , generally ,I charge my clients 2000 rmb , but you will live here for only two months , so maybe I will give you a discount .But , if the apartment I found for you is very good and cheap , I won't give you a discount , hope you can understand .

3.Do you like a sharing apartment ? I mean ,would you like to share an apartment with some other tenant ? Generally , the sharing apartment is a little messy and dirty , because the apartment is shared by several tenants . but ,I can try to find an apartment which you can share with only one tenant(generally , it's Chinese) , that means , the apartment is better and you can save a lot of money , for example , maybe 2000 rmb for a really good sharing apartment . Think about it , and tell me you opinion .My English sucks , but at least , I am the best and the most honest agent in Qingdao .

This is Kaka - always at your service! I've helped out innumerable foreigners in Qingdao, so I know exactly what you need from a real estate agent – not only a good apartment, but also a wonderful post-rental service.

Moving to China can be a stressful experience- you need to sort out your visa, accommodation, cleaning, maybe getting a car, where to do the shopping etc... However, I assure you that you can call me any time and I'll always be more than willing to take care of these issues for you.
