Property Description

Where are foreigners hanging out in Qingdao ? yes , Mykal Area .

Hi , I am so honoured to help you , let me tell you a neighborhood-----Hong Kong Buildings . Maybe you know ,there are two high-rise buildings in the east side of Mykal , it is called Hong Kong Buildings , they were built in about 2002 ,the appearance is not very new ,but the inside of the apartments there usually are fine , and the monthly rent there is low , like , 2500-2800 rmb . Hong Kong Buildings are popular for foreigners , there are several of my foreign friends living here.

Right now ,I can show you two apartments there , one is 80 sqm ,10th floor ,fully furnished , the decoration is just ok ,not very good , the yearly rent is 30000 rmb , available now .

The other one is also 80 sqm , 15th floor , fully furnished , well-decorated , the yearly rent is 32000 rmb , but not available now ,should be available in one week.

Sorry ,it is not convenient for me to get the photos now , but if you wanna visit them personally ,I can arrange the time for you . the first one is ok , you can visit it when you want ; but the second one , we only can visit it during weekend .

This is Kaka - always at your service! I've helped out innumerable foreigners in Qingdao, so I know exactly what you need from a real estate agent – not only a good apartment, but also a wonderful post-rental service.

Moving to China can be a stressful experience- you need to sort out your visa, accommodation, cleaning, maybe getting a car, where to do the shopping etc... However, I assure you that you can call me any time and I'll always be more than willing to take care of these issues for you.
