Property Description

A hotel-style apartment near May 4th Square in Qingdao!

You might find this community better than any other communities because of its location. It contains 1br apartments and is about 50 square meters. Rent is about 3000 RMB one month in a prime location near Carrefour (a big super market), Municipal Government, Shangri-La Hotel and May 4th Square. It is really in the centre of Qingdao. Anyway, there are many choices, just call me. I am happy to be your guide, helper, translator and agent to help you get what you want as quickly and easily as possible.

This is Kaka - always at your service! I've helped out innumerable foreigners in Qingdao, so I know exactly what you need from a real estate agent – not only a good apartment, but also a wonderful post-rental service. Moving to China can be a stressful experience- you need to sort out your visa, accommodation, cleaning, maybe getting a car, where to do the shopping etc... However, I assure you that you can call me any time and I'll always be more than willing to take care of these issues for you.
