### Property Description

My buyers purchased this beautiful home in the Reunion Community. Gas range and upgraded refrigerator. One of the biggest lots in the neighborhood has a patio that feels like an oasis. Your home has three bedrooms all on the second floor, which feature an updated laundry room. The third floor is a completely open room that could be used for entertaining or the biggest office. Access to acres of parks, tons of walking trails, a coffee house, and a rec center, with so much more on the way.
